*It's Time Edition!*

# Just a word!

In choosing "*It's Time*" as our theme, we have endeavored to present to you a true picture of the life and events of the High School year of 1948-49 on a time schedule. We have, to the best of our ability, used it throughout our book as a foresight of the oncoming pages of memories.

The honor of this publication belongs not to any individual but to the staff as a whole and to the entire school — — to the staff because of their interest and desire to publish it — — to the faculty and pupils because of their loyal support and co-operation.

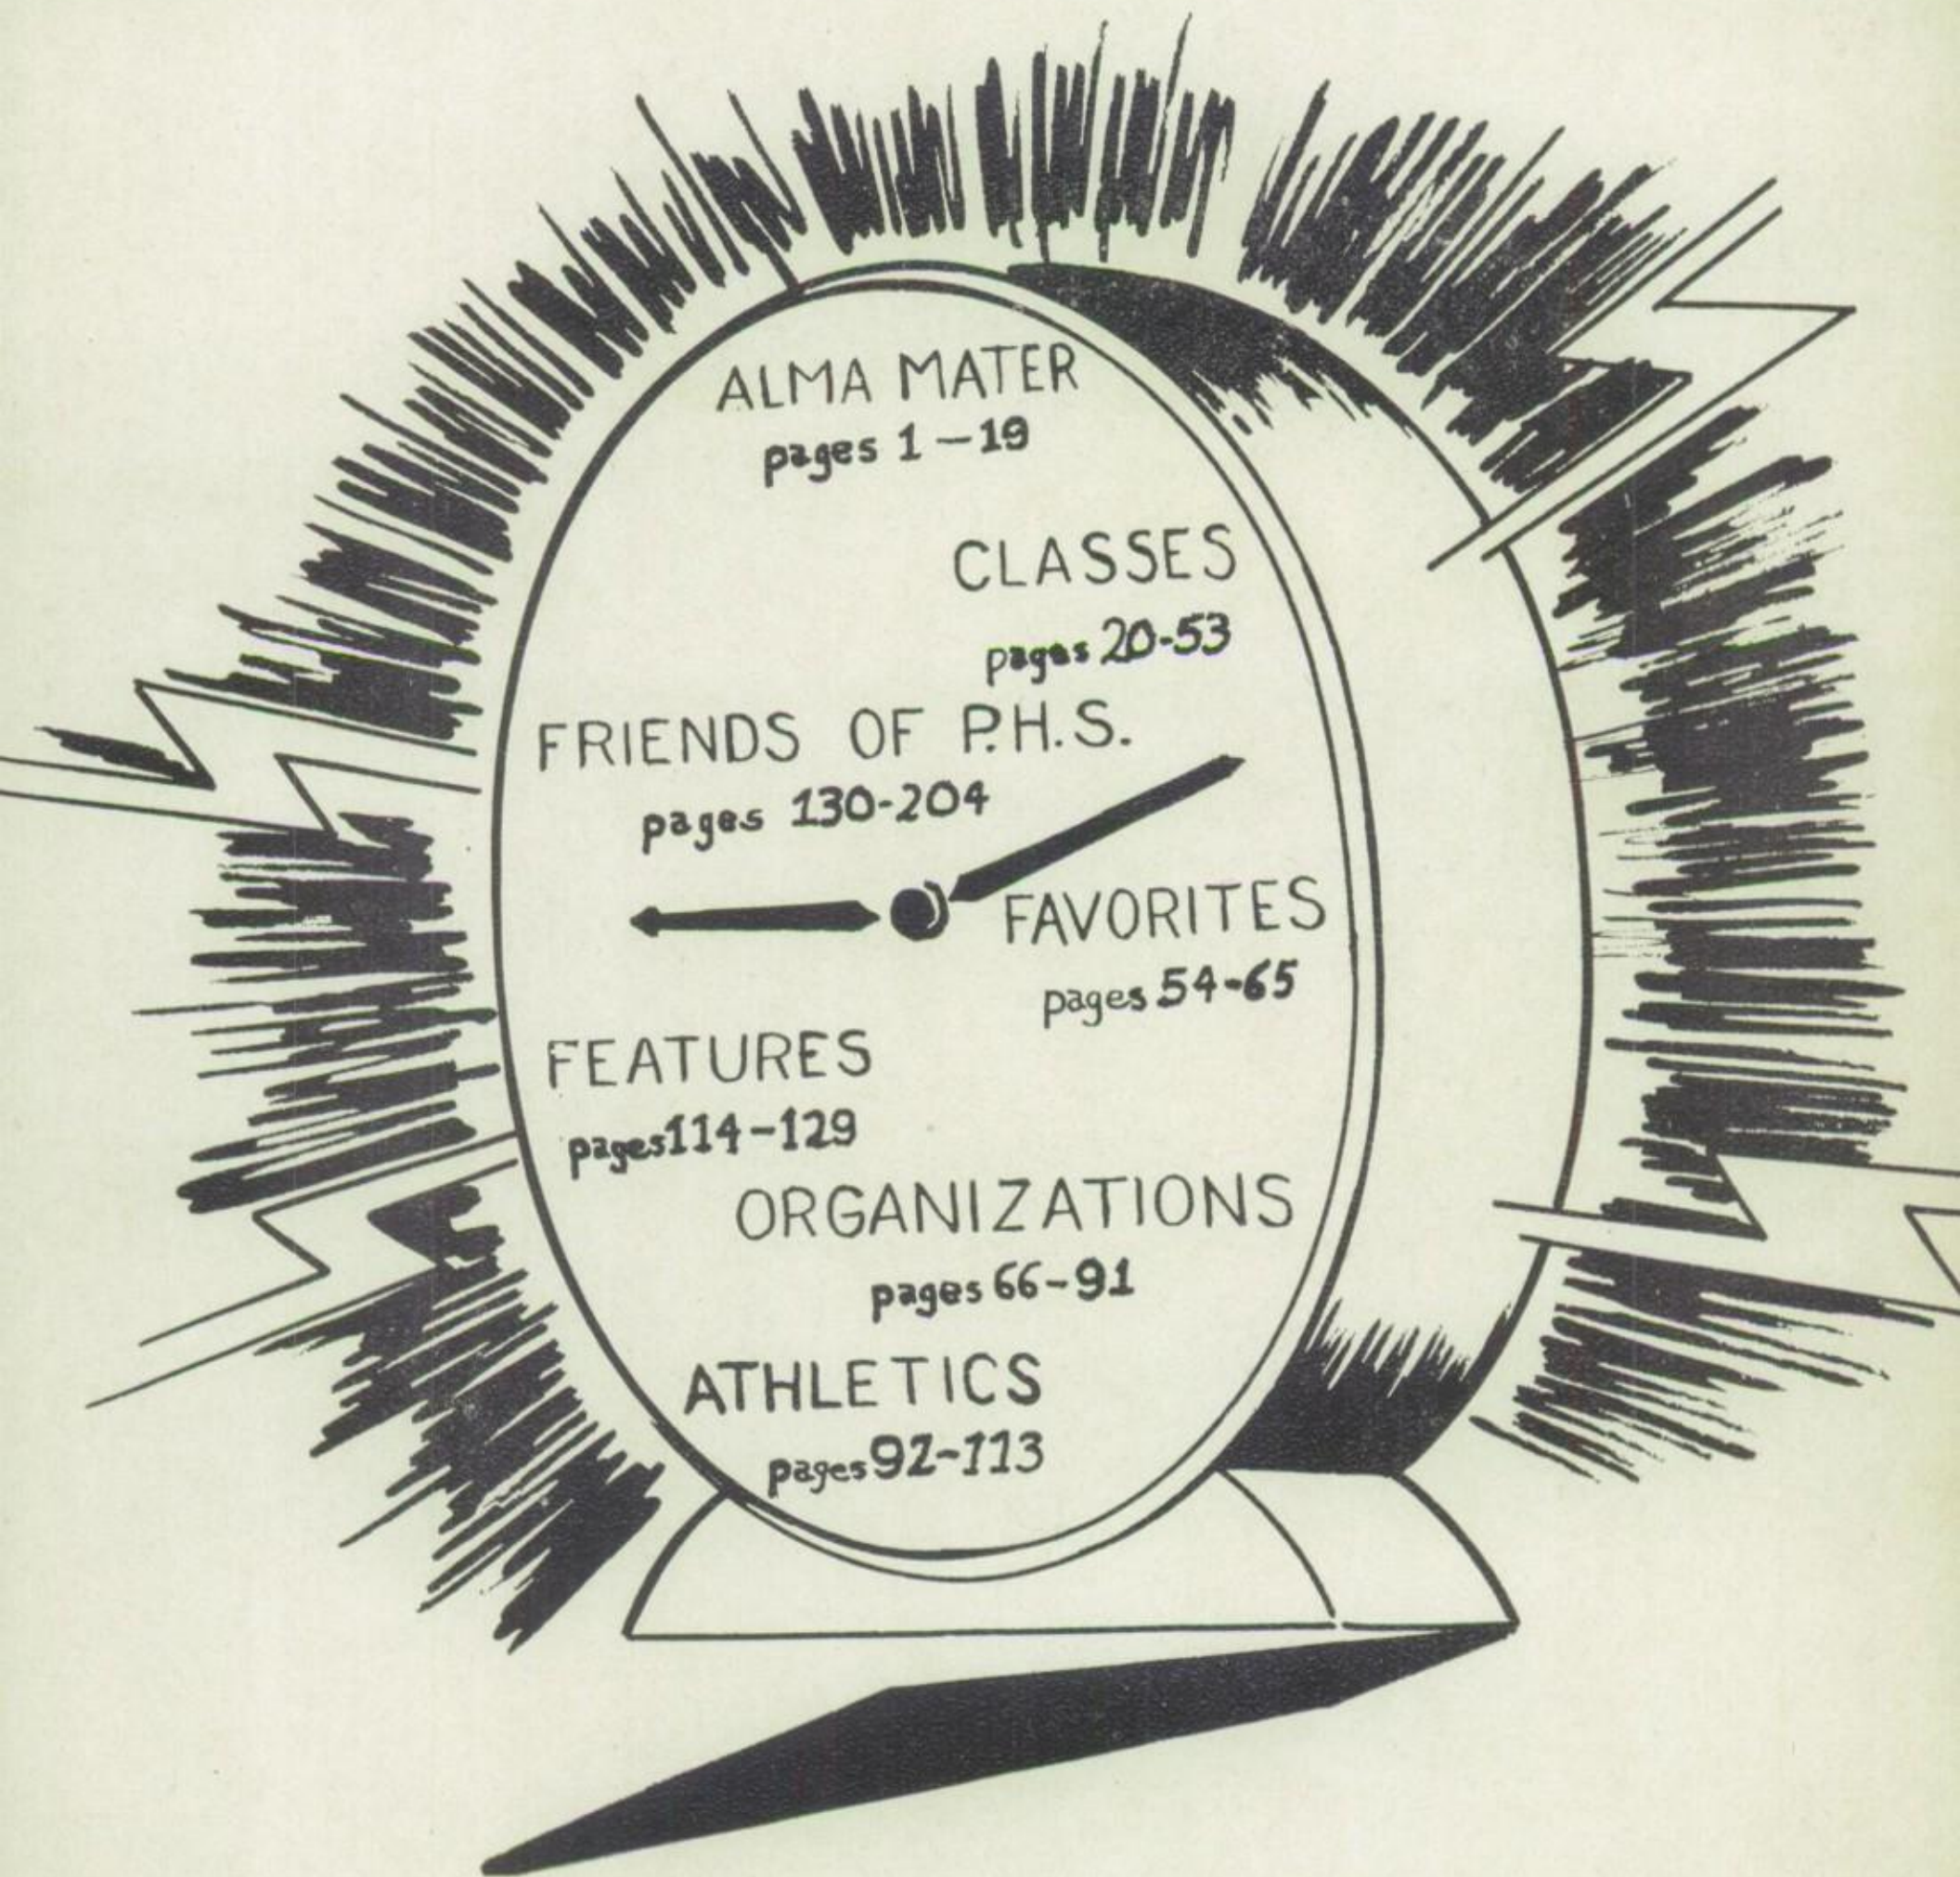

We hope that your highest desires and expectations are fulfilled as you thumb through this 36th volume of the OWL.

*"Know the true value of time; snatch, seize, and enjoy every moment of it. No idleness, no laziness, no procrastination; never put off till tomorrow what you can do today."*

EARL OF CHESTERFIELD.

MR. THOMAS S. JUSTISS  
*Superintendent*

For the past three years Mr. Justiss has been the Superintendent of the Paris Public Schools. He entered into this position with enthusiasm, and he has succeeded even better than we could have hoped.

Mr. Justiss is an ardent admirer of football, and he may be seen on the sidelines at every Wildcat game. He also frequently visits the school parties. His cheery smile and friendly manner leave impressions in the minds of our student body which are good and lasting. For these reasons and many others, we salute Mr. Justiss, our Superintendent.

# Our School Board

Those who compose our school board are entrusted with the problem of supervising our schools, of making our rules and regulations, and of employing and discharging our teachers. They have generously given of their time to help us in our progress toward making our schools outstanding and worthy of the opportunity which they provide. Our school board is elected by the voters of the Paris Independent School District and do not receive a salary for this work, but their reward is the knowledge that they are helping our youth to become the leaders of tomorrow.

Mr. W. H. Freeman  
*Business Manager*

## MEMBERS OF THE SCHOOL BOARD

*Left to right:* Mr. Gilbert Cecil, Vice-President; Mr. D. C. Holland, Secretary; Mrs. W. H. Lightfoot, Mr. O. W. Boswell, President; Mr. Hardy Moore, Mr. George Waterman, Dr. J. L. Jopling.

R. C. Fagg

MR. ROBY C. FAGG

*Principal*

Mr. Roby C. Fagg came to Paris High School three years ago to replace Mr. Justiss as principal. He has a refreshing and pleasing personality which is appreciated not only by the student body, but also by the faculty and the school board. He is always ready to help in any way possible to encourage the students and the school in a program to further education in these modern times. Mr. Fagg has brought about numerous improvements, and we are sure he will continue to do so with each passing year. We feel that as long as he is with us, our school will, as it has in the past, continue to thrive on comradeship and it will keep striving for the best in education. On behalf of the student body, the faculty, and others who are in any way connected with Paris High School, we salute him with our appreciation for the good work that he is doing.

## AN APPRECIATION

Our most appreciated figures in the school life of the students of Paris High School are our teachers who spend five days out of every week teaching and helping us to learn and to use the most essential things that go with us throughout life. They participate in school activities and are always cheerful and ready to help students who really want to learn.

1. Charles Stewart and Robert Shiver are working at the lathe in the shop.
2. The experiment in Mrs. Stifelman's chemistry class was most interesting.
3. We show our school spirit at the bonfire before the Denison game.

4. Miss Katie's American History class listens to the election returns.
5. Registration day. Mr. Thielman wields the chalk.
6. Our main corridor. Room 2 seems to be the most popular.

*Deer & Lively*

There are some new faces among the faculty this year. We regret losing a few of our teachers that have been with us in the past, but we also welcome those new ones who have stepped into our midst to teach us and those students who will come after us. We hope that they will long remember their experiences with the students and that these memories will always be pleasant ones.

1. Mr. Fagg is issuing Donnie Cameron an excuse as Mr. Gay gives approval.
2. Bobby Thompson protects his face while he welds.
3. Registration. Joan Temple really looks happy about it.

4. Food! Mrs. Geers sells those good "ole" hot dogs to the students at the noon hour.
5. Miss Edmiaston and Mrs. Bailey make out schedule cards while the boys stand in line.
6. Miss Crook, assisted by Carol Wofford, serves punch at the library opening. Libba Walters strikes an original pose for the camera.

*Snap:* A number of the teachers enjoying the good food furnished by the Latin Club at their annual picnic at beautiful Lake Crook.

Throughout the years, our teachers have become familiar with our likes and dislikes and have become adapted to them. When a problem comes up, the teacher puts herself in the student's place and acts accordingly. All in all the students and teachers of Paris High School work together in order to improve the standing of the school and to direct as much of our education as possible in the time given to us. We congratulate the faculty on their outstanding work and the results they have achieved in the past, and we know that they will continue to do so in the coming years.

1. Mrs. Betty Jackson takes good care of all the clubs' money.
2. Make it an easy problem, Mr. Lively.
3. Exams, exams, everywhere! Especially in study hall with Miss Anderson supervising.

4. It seems as though Miss Beatie has her English class concentrating.
5. Summer school. Crenshaw! You too!
6. Frank Majors, Billy Alexander, Bobby Moore and George Hatcher are glazing library tables for the big opening.

## THE "FORTY-NINERS" PASSING PARADE

The seniors are about to leave the dear old halls of Paris High School, but before they do let us cast a backward glance over the last four years.

In 1945-46 we entered Paris High School as Freshmen — 252 strong. We were awed and proud of our beautiful building and our wonderful faculty. We elected Charles Hatcher president and Miss Francis Hicks, sponsor. The previous Freshmen had left us the heritage of a wonderful name, and we tried to leave this intact.

When the last of May came we proudly took our place in Paris High School as Sophomores. Billy Martin and Mr. Witcher were elected president and sponsor respectively. On December 7, 1946, we had a tacky party, and on January 16, 1947, the Sophomore class, presented an assembly program. One of the annual events of Paris High School is the electing of cheer leaders from the Sophomore class. From much talent we chose "Pan" Chism, Patsy Whitlow, and Bobby Booth.

Finally came that wonderful day when the "forty-niners" were upper classmen. We elected Billy Martin president and Miss Hankins, sponsor. On February 27, 1948, we had a stunt night, and everyone including the teachers participated. If you were there, you know the outcome, but for the benefit of the absentees, it was a tremendous success. The junior class also published a newspaper, *The Paris Hi Lites*. On May 21, the class gave a box supper to add more money to their steadily growing funds. The result was one of the finest Junior-Senior proms ever given.

Now we are Seniors. Although we have long awaited this time, the pleasure is marred by the thought of leaving school. We laugh and say we are glad, but somehow our laughter does not ring true. But even though we are sad we are still upholding the dignity of our wonderful class. We elected class officers who we thought were capable of directing the Senior class, and when commencement comes, we will want to be able to walk with pride across the school stage for the last time.

We will be back, as years go by, to see our teachers and the familiar halls, but it will never be the same. So take heed, Freshmen, Sophomores, and Juniors, get the most out of Paris High School that you can, because you will have few better times than you have here.

## TO THE DANDELION

Little dandelion  
With your golden hair  
When I peep down in the grass  
I see you hiding there.

Little dandelion  
Your gold hair is no more  
Grey fluff has come to replace  
The golden head of yore.

A careless hand will pick you up  
And blow your fluff away.  
This will make more dandelions  
Come another spring day.

—Lida Litvin

## THE MIGHTY TREE

Along the shore of a vast sea  
Stands a huge and very mighty tree;  
Who through the many despairing years,  
Has kept her beauty despite life's fears.

She has kept, behind that wrinkled face,  
Her splendor and her ever envied grace;  
Her strength has conquered every storm  
While the sea howled in great alarm.

This tree has courage both strong and bold,  
For she has fought the bitterest of cold;  
No storm, no cold, can match the wits,  
Of this daring tree which never quits.

—Thomas Pierce

The above poems, by a Freshman girl and a Senior boy, received national recognition when printed in The National Anthology of Student's Poetry, Los Angeles, California.

HERE, STUDENTS, is your 1949 OWL. We hope that you enjoy every page of memories and appreciate the efforts your staff has put forth preparing them for you.

We wish to make known our sincere appreciation for the co-operation of Mr. Justiss, Mr. Fagg, the faculty, the student body, engravers and printers, commercial photographers, advertisers, and to Ray Sissel of the *Paris News* in helping to make this publication possible.

As Editor, I wish to express my deepest appreciation for the many hours your staff has put forth on this yearbook. I especially want to praise Miss Katie Feeser for her splendid work as sponsor of this yearbook. I am sure that we could not have published this book without her helpful guidance.

# Reward Is in Doing

## HI-LITES

IN CLOSING our circulation campaign we had a weiner roast at Lake Crook; 50 OWL workers attended. Everyone enjoyed the fine food and warm feeling of friendship.

December 2, the staff, consisting of 21 members, left for Denton to attend the T.H.S.P.A. convention. Here the '48 OWL received the rating of All-State having tied with the Monticello of San Antonio.

On December 21, a memorable thing took place; the '49 OWL staff received their letter jackets. Hard work and untiring effort gave us the honor of wearing these jackets.

In the spring a tired staff's fancy lightly turns to thoughts of fun—so our sponsor and different members of the staff entertained with dinners, parties and banquets. These were enjoyed by all.

## Basic Activities

WE BROKE no circulation records due to a decrease in our enrollment, but we printed 650 copies of the 1949 yearbook with 583 class pictures. Our advertising quota, \$2,000, was successfully reached and surpassed.

Mr. Skidmore and his students installed a gas connection in our office; therefore, we were able to work in comfort on week nights and Saturdays when the steam was turned off.

We spent three months drawing, cutting, and mounting panels. In October Mr. Justiss presented to the OWL a much appreciated steel T-Square. In many ways this T-Square has been a life saver; by using this quick, simple method, we were able to meet all deadlines. By doing this, we saved several hundred dollars.

Typing, proofing, and reproofing was a task which took careful planning, hard work, and close observance.

With the exceptions of formal pictures, all photography and art work were done by students.

## JUNIOR CLASSICAL LEAGUE

THE AIM of the J.C.L. is: "The members of the Junior Classical League covenant to hand on the torch of classical civilization in the modern world."

This great organization is Nation-wide as well as State-wide and there are 91 active Latin students in Paris High School. Each year there is a convention held for the purpose of reviewing the interesting business of all the chapters of the year. This year the convention was held in Waco. Many contests were held in which all or part of the chapters participated.

The club held its annual Christmas Party in the auditorium on December 20. Latin Week, the Nation-wide observance, was held the week of April 21st, with an assembly program and flowers put in each room. The club closed its social activities with a picnic at the end of school.

# Music Hath Charm

THE PARIS High School Chorus sings each year approximately twenty-five concerts for clubs, churches and civic organizations in and around Paris. No organization in Paris is more highly respected than this chorus. The chorus sang over the Texas Net-Work in Fort Worth under the sponsorship of the Interscholastic League. The chorus participated in the Highlander festival, the Interscholastic League Contest in Tyler, and in our own May festival during National Music Week. At this festival all the public school choruses in town and the choruses of Paris High collaborated with the band to present the annual gala music event.

The chorus will give its last performance of the year at graduation.

# Sports Review for '48-'49

As has been his habit, Coach Raymond Berry handed us another top-notch team this year. Though people hadn't expected the Wildcats to win more than one or two games in the conference, when the season was over they had lost only two and had won a second place spot in District 5AA.

With only one returning regular, Coach Berry really had to develop his team, not just train them. All in all, we're really proud of our Coach and our '48 Wildcats.

## TRACK

Since this year's track results came too late to be recorded, we'll give you last year's.

Not ordinarily so, track was made one of Paris High's top sports. The trackster ran a close second to Texarkana in being nudged only by number.

Late in April, the Wildcats advanced to the regional meet held in Dallas.

## TENNIS

The Paris High Wildcat netters won the 8AA crown for the 11th straight year in '48. They also had a state champ. Norma Lawrence won the class AA girls' singles crown in the state meet.

Charlie Hatcher, Billy House and Norma won their way into the regional tournament, but Bobby Staples, Hattie Killebrew and Joan Lay were beaten in the district meet.

Tennis will be back in the sports calendar this year, coached by C. A. Dempsey.

## BASEBALL

For the first time since before the war, Paris High, under Ted Carley's leadership, had an organized baseball team last summer and lost no time in latching on to the championship.

They lost only to Sherman and Gainesville, but later beat the Bearcats twice for the title.

## GOLF

Adding to the long list of championships for Paris High, Wildcat golfers grabbed the district 5AA crown this season. The Wildcats are the first, and only golfers to win a 5AA title, since 1948 was the inaugural year for 5AA golf.

Frank Wear, Wallace Williams, Carl Chambers and Billy Grimes Phillips made up the champion foursome. As a result of their work on the greens, there's a new trophy in the Paris High trophy case.

## MANAGERS

Undoubtedly, much of the credit for the success of our athletic teams should go to those hard-working individuals, the managers. Cleaning up, issuing equipment and preparing the field for the game, all fall to the list of worries. Yet, they perform their duties with pride and satisfaction.

## Reserves

## CATS ELECTROCUTE ELECTRA

The Wildcats opened the Paris grid season with a 19-0 victory over the Electra Tigers.

Bobby Ingram went over from the 2-yard line in the first quarter to put Paris in the lead, 6-0.

Billy Martin went 86 yards in the third quarter for a TD and Louis Pratt added the extra point.

In the fourth quarter, Ingram intercepted an Electra pass and went over for the final tally.

## CATS TAMED BY TYLER

Tyler Lions whipped the Paris Wildcats 24-14. Although the Wildcats lost, they fought hard to crack the Lions' heavy forward wall. Paris Wildcats led at the half, 7-6, but the hefty Lions, superior in weight and reserves, stormed back to batter down the Cat defenses.

Billy Martin tallied both the Paris touchdowns. Pratt booted both the extra points.

## CATS LASHED BY LOBOS

The Paris Wildcats were tops in defense, but lost the ballgame offensively. Longview's touchdown came late in the third period making the score 6-0.

The Lobos took the opportunity to catch fire after Martin's arm injury in the second quarter. The Wildcats' line was red hot as Oakleaf, Patton and Raymond Berry turned in their share of defensive work.

## CATS CUT WITH CATS

Statistics favoring the Cats, they were nearly beaten out by the Sulphur Springs Wildcats.

Dick Garrison, safety man for Paris' team, fumbled twice, then headed down the sidelines for 60 yards and a touchdown.

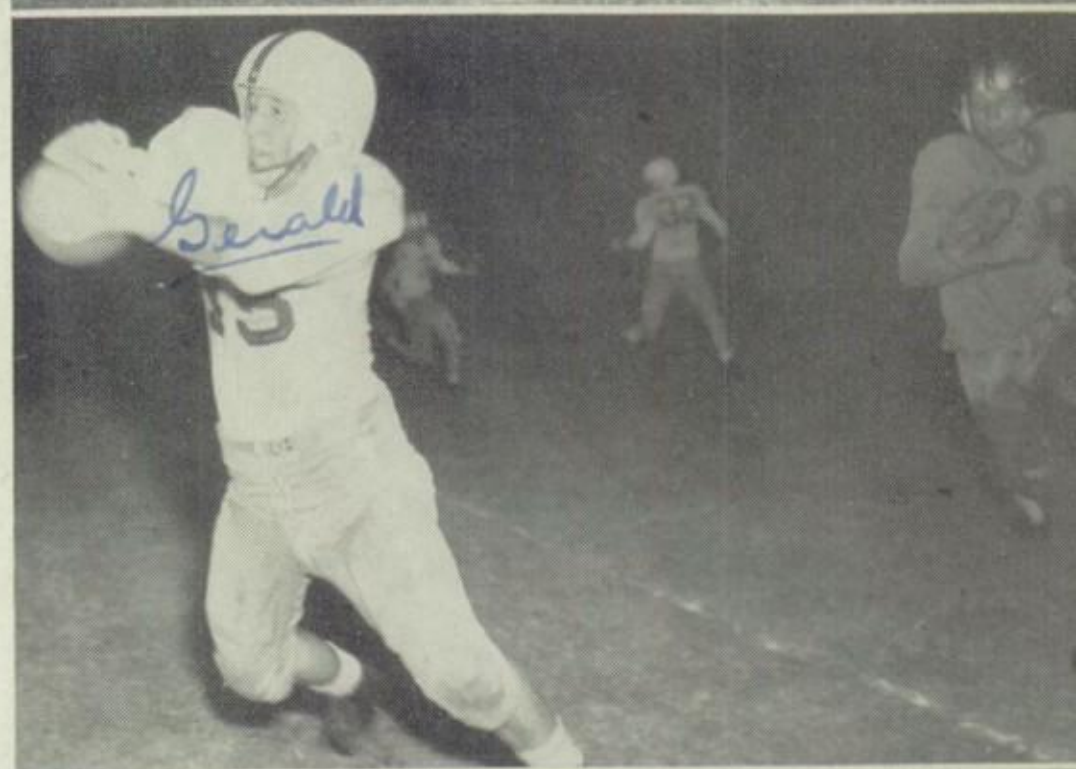

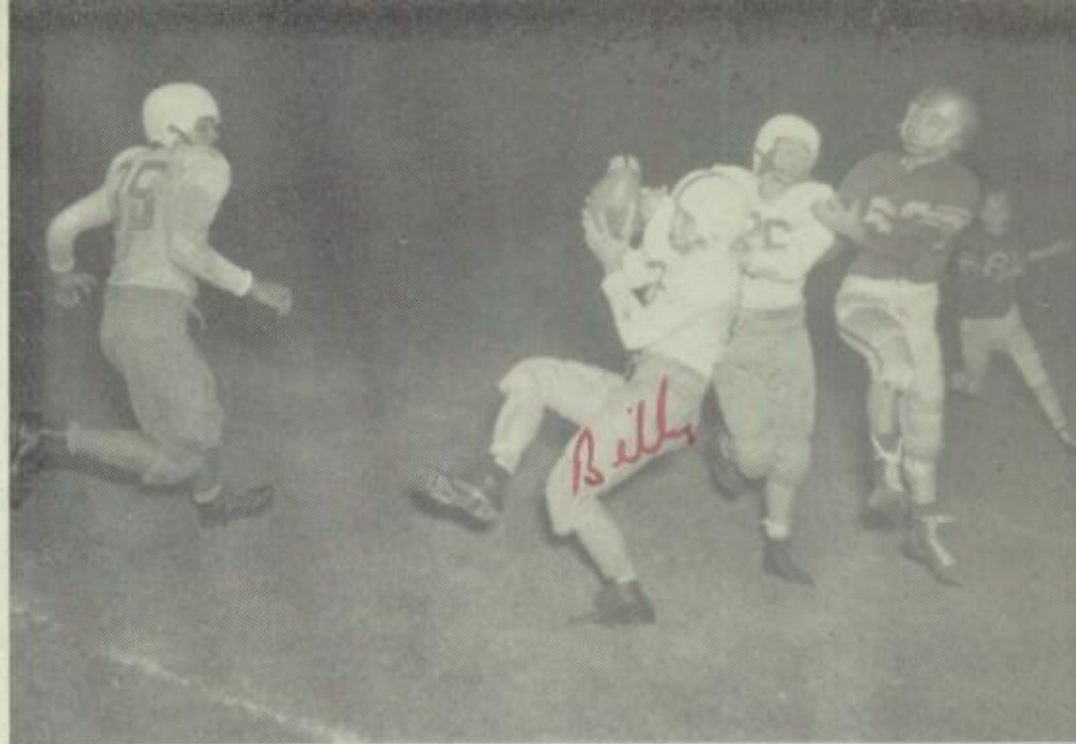

Buckman's block back on the 40 helped Garrison to break away. Pratt's placement was high-arching, good for the extra point.

*Top snap:* Garrison and Martin want possession of the ball in this confusing play against Electra. Paris won, 19-0.

*Second snap:* Bell starts the tackle and Martin comes in to finish the job against this Tyler player. Tyler won, 24-14.

*Third snap:* Burnsed snares a pass and gains yardage against Sulphur Springs. The two Wildcat teams tied, 7-7.

*Bottom snap:* Martin tries unsuccessfully to go through the Adamson line. Adamson won, 26-7.

## ADAMSON ADDLES PARIS

The Adamson Leopards ran and passed their way to a 26-7 victory over the Paris Wildcats at Dal-Hi Stadium. The Leopards kept the Wildcats scoreless until the final half. Dick Garrison carried the ball to the 33, then it was Garrison and Martin all the way with Garrison making the only touchdown for Paris. Louis Pratt kicked the extra point.

## CATS BUMPED BY BUGS

Defending the 5AA crown they won last season, the Cats let Denison's Yellow Jackets slip past them for a 12-6 victory. With the Jackets scoring first, the Cats let go in the third quarter when Billy Martin passed to Dick Garrison, who ran for the tying TD. Denison took the lead again with their second touchdown. Martin completed 9 straight passes, but the 10th was incomplete and Denison took over on downs.

## CATS BOUNCE BONHAM

From bench-warmer to game-winner, Reserve Buddy Alexander yanked one out of the fire for Paris. In the second quarter, Martin completed his fourth straight pass to Bossy Robison, who made a beautiful over-the-shoulder catch deep in the end-zone. Pratt added the extra point and Paris went ahead 7-6. Just before the half, Bonham scored again as a result of Paris' only fumble. Early in the fourth quarter the Cats went ahead to stay as Buddy Alexander took Golden's punt and ran 70 yards for the TD. Pratt's try for the extra point was blocked, but the Cats still led 13-12.

## WILDCATS SLAUGHTER SHERMAN

In the worst defeat a Paris team has ever handed a Bearcat crew, the Wildcats held their stride to knock over Sherman, 59-0. Every man on the Paris squad participated in the game. Martin scored four touchdowns and passed to Garrison and Robison for two more. J. E. Christian played his best game of the year, accounting for 12 points, and Bobby Buckman, bruising blocking back, marked up six more points. Louis Pratt booted 5 out of 7 extra points.

*Top snap:* Martin goes around right end to gain yardage against Denison.

*Second snap:* Robison completes the pass that scored the first touchdown against Bonham.

*Third snap:* In the last quarter of the Bonham game, Buddy Alexander, on a punt return, scores the winning touchdown.

*Bottom snap:* Garrison carries the ball in the Sherman game that gave Paris a slight chance for lead in the District.

## CATS LOOPED BY LEOPARDS

The final home game of the season brought an 18-6 defeat from Gainesville on a muddy field.

Gainesville started scoring first and didn't let up. They led 6-0 at the half after holding the Cats down on the 6-inch line.

Taking the opening kick-off in the second half, they marched to the second touchdown. Paris scored midway in the third when Martin passed to Jim Bill Ratliff on the Gainesville one and fullback J. E. Christian went over for Paris' only TD. A pass interception and an 85-yard touchdown in the 4th quarter iced the game for Gainesville.

## CATS GROUND-OUT GREENVILLE

In the final game of the season, the Wildcats bumped Greenville in spite of the 113 yards in penalties. Paris scored first with Martin crossing to climax a 44-yard drive. Pratt's kick was good for a 7-0 lead.

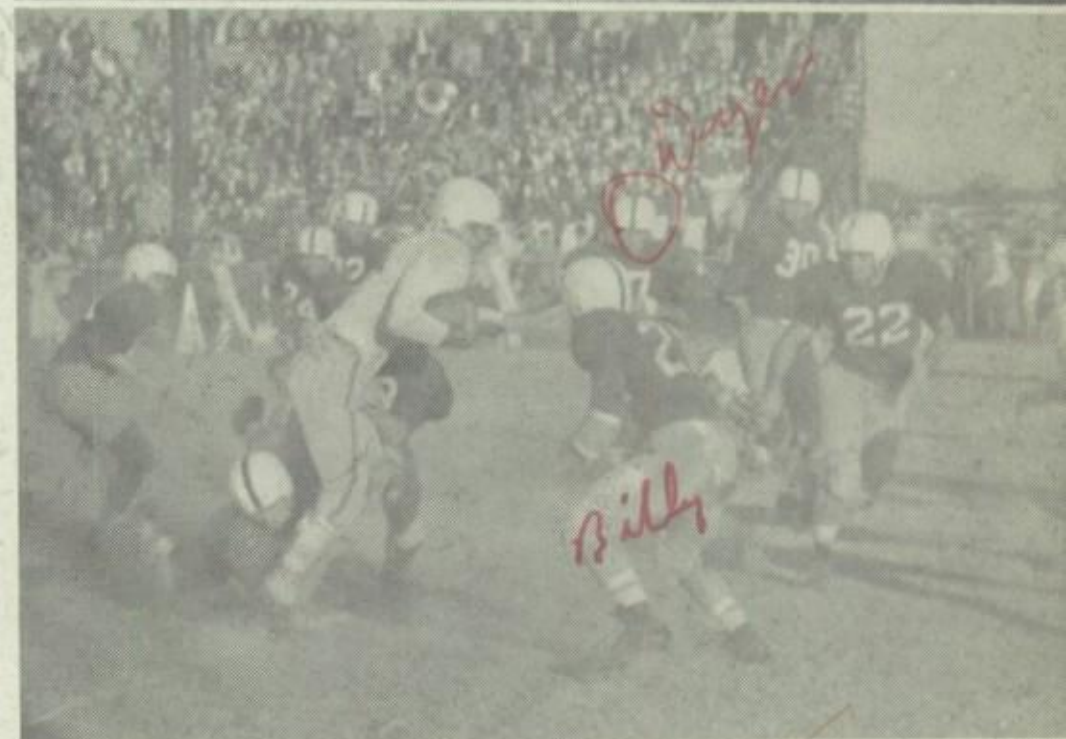

Midway in the second quarter Greenville's only touchdown came as a result of an unnecessary roughness penalty, that carried them to Paris' one-yard line. Just before the game ended, another Greenville drive was nipped when Martin Oakleaf hovered on Smith's fumble on the Paris 12. Two more plays and the game ended. Penalties or no penalties, we won!

*Top snap:* Mr. Fagg, Dr. Hammond and Mr. Justiss sat on the bench during the Gainesville game. I wonder what Mr. Justiss is smiling at?

*Second snap:* Robison, on a short pass, gallops around end to set up a first down against Gainesville.

*Third snap:* A Greenville player tries to pass the rough and ready Wildcat line without success.

*Bottom snap:* There was high tension on the bench every minute during the Greenville game.

## B TEAM

The Wildcat B team didn't get or break any records this year. They just about split the season even with 4 wins and 5 losses. They were matched with some of the Class A and B teams around Paris and with most of the 5AA B teams.

*Top row:* Avance, Locke, Carstarphen, Davis, Ables, Dawson, McCullum.

*Middle row:* Alexander, Nelson, Bell, Sherly, Redus, Black Ferguson, Pearce.

*Bottom row:* Gray, Howerton, Stuart, Vickery, Kyle, Burge, Kemp.

## HOT SHOTS

The Hot-Shots were rather over shadowed by the exploits of other squads during the 1948 season. They scored in only 2 games, losing 4, tying 2, and winning only one. Although they didn't have a very good season, they deserve credit for their work, spirit and attitude toward the games.

*Top row:* Hutchinson, Mgr., Lee, Bills, Bradford, Stout, Evans, Christian, Stallings, Deitz, Warner.

*Middle row:* Richardson, Creecy, Terry, Crawford, Davis, Holland, Fennell, Urbano, Williams, Boswell, King.

*Top row:* Hodges, Greer, Haley, Lewis, Emerson, Ball, Hudson, Melvin.

*Middle row:* Kelly, Vandever, Glasscock, Bills, Massey, Lane, Reed.

With three returning lettermen back from the 1948 quintet, the forthcoming season looked fairly bright.

Starting slowly in their warm-up games, the Cats opened stride when district play began.

As a result of a tournament held in Bonham, the Wildcats were scheduled to come out in the cellar spot. They fooled everyone, though, and up to the last two games they held the top spot in District 5AA.

The quintet started off with a loss to Greenville but made it up by winning one from Sherman. They lost their second one to Bonham in overtime play, and won the next three games from Denison, Gainesville, and Greenville respectively. Then they took another from both Sherman and Denison.

In a heartbreaking loss to Bonham the Cats gave up most of their hope of keeping the top spot. They lost the final game to Gainesville, making a total of four losses.

Wayne Chapman was Paris' high point man with 84 points and also held second place in District 5AA scoring. Four of the five starters placed in the top ten of the district scorers.

Although they didn't win the championship, they came out in second place, and everyone was proud of them for their fine teamwork and fighting spirit.

Bottom row: Hutchinson, Manager; Warner, Creecy, Lane, Crawford, Terry, Haley, G. Stewart, Alexander, Burnsed, McCollum.

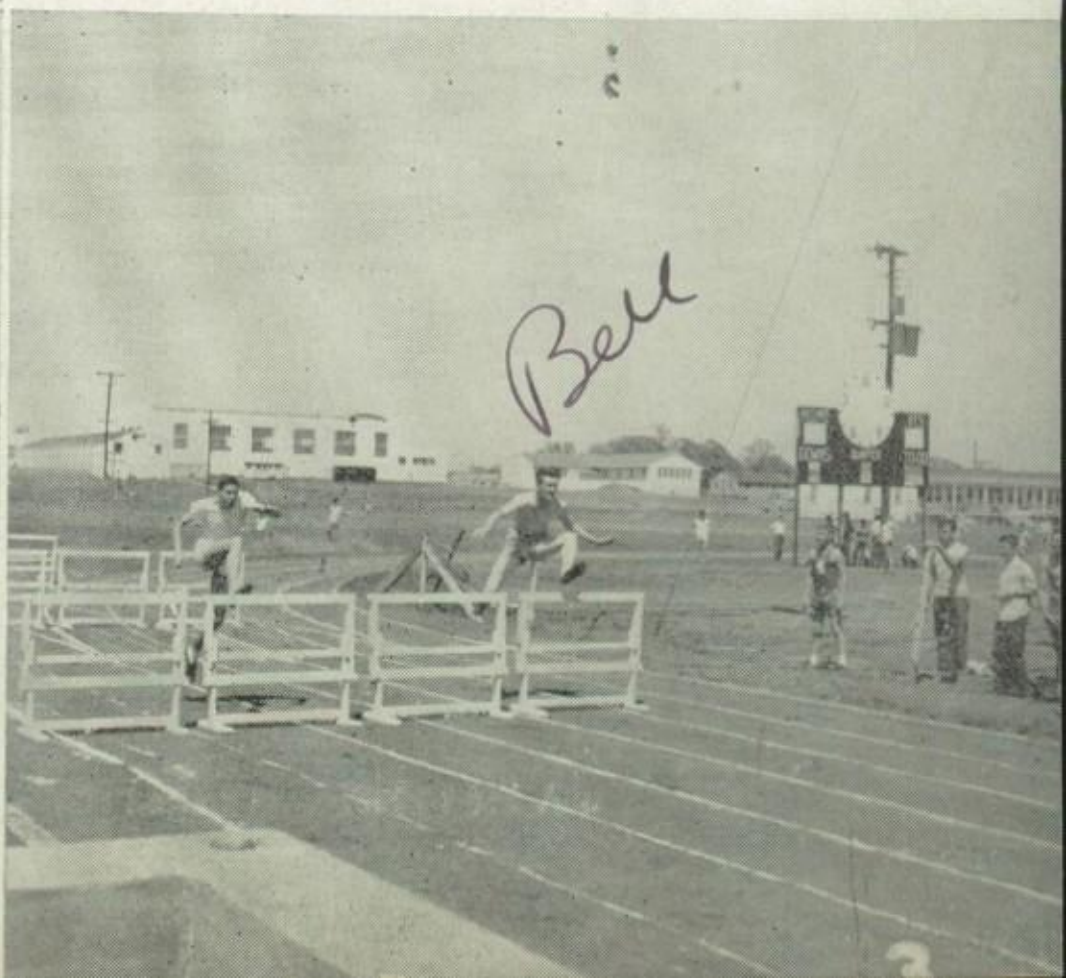

The tracksters, coached by Paul Lively and Raymond Berry, have quite a record to live up to since the 1948 team rated second in District 8AA. Texarkana nudged them out by sheer number.

In April they advanced to the regional meet held in Dallas. The results can't be recorded here, but this year's team expects to cop the 8AA championship title.

Baseball returned as a District 5AA schoolboy sport last summer. Losing only two games—one to Sherman and the other to Gainesville—the Wildcats came back to top the Sherman Bearcats twice for the loop championship. Carley's ace pitchers and power hitters helped to give them their lead.

Second baseman Billy Barnes finished the season as the top hitter, but was closely followed by several players. Coach Carley's ideal line-up had either Bossy Robison or Reginald Blackburn behind the plate; Gerald McGee, first base; Billy Barnes, second base; Dickie Garrison, third base; Thomas Williams or Jimmy Mayes, shortstop or in the outfield; Kenneth Dabbs, centerfield, and Louis Pratt, Kenneth McNeal, or one of the pitchers in right field, and either Edmond Ellis, Leslie Bramlett or Johnny Mack Brown, pitching. We are looking forward for a winning team this year; so let's all back our fighting Wildcats.

The Cheer Leaders have been enthusiastic, co-operative, and loyal under their new sponsor, Mrs. Perry Booth.

## Backward Glances

As we glance back over the past year, we recognize several outstanding changes.

Perhaps the greatest change was noticed in the providing of a modern library. The old south study hall was remodeled into a modern, spacious library with proper lighting and plenty of book shelf space for the books now owned by the school and with ample provisions for future additions.

A guidance program had been under way for some time, and it was helped very much when a room on the second floor was remodeled for consultation and for housing the necessary materials.

For the ever-growing music department there was the complete renovation of the music room in the gymnasium. The room was walled and sealed and inlaid linoleum floors added to sound-proof that part of the building. An office was arranged for the musical director, and a storage room for the uniforms was built.

New opera chairs replaced the old seats in the auditorium and added to the comfort and looks of the school.

Our curriculum has been increased by three new subjects: commercial law in the business department, commercial geography for the Freshmen and Sophomores, and needlecraft open to all girls.

These innovations have been made for the improvement and benefit of the students, and they appreciate these efforts in their behalf and in many instances have shown their appreciation by availing themselves of the opportunities offered them.

Yes, all in all, this has been a wonderful year!

## Perkins Bros. Company

Perkins Brothers Company continued to be the most popular shopping place for the students of Paris High School this year. After school hours and on Saturdays, students met and shopped at Perkins or simply enjoyed themselves by looking through the many departments at Perkins.

Catherine Speairs is literally dancing on a cloud in a lovely formal from Perkins Fashion Shop. Mrs. Thelma Parr aids her in her quest for a dress for those important school dances. Special attention is given to the likes and dislikes of the teen-age girls. Perkins Fashion Shop and Sport Shop has hundreds of the latest creations for school, dress-up, and evening wear.

Jerry Ashford takes time out to do a little shopping for himself. Mrs. Harry Hardy, manager of Perkins Boys' Department, is assisting him in selection of a shirt to give his school wardrobe an added touch of color. Jerry shops in Perkins Boys' Department because he likes the fine quality and distinctive appeal of the many famous name clothes for boys. Perkins features nationally known brands of boys' clothing . . . styled for lasting good-looks.

Anne Frances Simmons decided to take a look in Perkins Famous Gift Shop for a few gifts she had in mind. Mrs. Bill Stallings, Gift Shop Manager, is showing Anne some very tasteful Sterling Silver Holloware. Perkins Gift Shop has long had the biggest and best collection of gifts in Northeast Texas . . . something to please everyone. Featured are fine imported and domestic silver, china, crystal and many other items.

Mary Catherine Williams and June Locke decided to give toiletries to some of their friends for Christmas. In the picture, Mrs. Lucille Pearson, manager of Perkins Toiletries Shop, is showing some of the delightful perfumes and colognes that were packaged especially for Christmas giving. Catherine and June were well pleased with the courteous service and wide selection.

Good-bye for now,

# It's Time To Pay Tribute . . .

It is a great pleasure to bring your thirty-sixth edition of the OWL to each of you. You will find the '48-'49 record of P.H.S. throughout the book, the result of our hard labor. If you have overlooked the ads, please go back and read each one, because there you will find the foundation of the book which the business men and women of Paris have made possible.

I would like to say "thanks" to all those students, other than staff members, who have worked and helped us with the annual. Janis Buffington, Gerald Burnsed, Juanita Clark, Charles Hatcher, Libby Hughes, Bobbie Boulware, Sarah Haizlip, Belva Jo Hearn, Mitzi Hinkson, Betty Hornbeck, Joyce Phillips, Snooky Seigel, Anne Simmons, Dorothy Ann Burnett, Pat Burnsed, Sarah Jean Haley, Jane Humphrey, Mary Margaret McLemore, Mary Kate Means, Jean Weehunt, Peggy White, Patsy Holcombe, Sylvia King, Dwan Lemmond, Beverly McKinney, *circulation*. Donnie Cameron, Patsy Ruth Kent, June Montgomery, Sue Moore, Jimmy Jones, *advertisements*. Carol Wofford, Betty Jo Goss, Mary Moore Hubbard, Elizabeth Kirkpatrick, Nancy Crow, Kathryn Hall, Sandra Staples, Betty Jean Thomson, *both circulation and advertisements*. My hat is off to Miss Stella Mae Crain and Miss Louise Beatie for their most beneficial advice.

I speak for the entire '49 staff in our thanks to Miss Katie Feeser, our sponsor, who has given her patience, guidance, and understanding for the past year. We know that without her, the 1949 OWL could not have succeeded.

To the faculty, the administration, and the student body, I say, "Thank you," for your splendid cooperation.

This is your book! We hope that you will enjoy each page within it!  
It's Time! now, to review your past year's events in pictures.
